## Addleshaw Goddard

Dear Student,

Addleshaw Goddard will be hosting a dinner at Côte Brasserie, Bridge Street, on Wednesday 18 November 2015.

The event will begin at 6.30pm and will be a great opportunity to ask some of our trainees, associates and partners about what life and work is really like at a top City law firm, and about our international and regional offices.

If you would like to attend the event,

please RSVP to [Cambridge.Campus@addleshawgoddard.com](mailto:Cambridge.Campus@addleshawgoddard.com) by Tuesday 10 November with your name, college, subject and year of study. Please also include a brief paragraph (no more than 150 words) on why you would like to attend the event.

We look forward to hearing from you.

Sent on behalf of the Cambridge Campus Team.

## Christ's Films

Ant Man – Saturday  
7th November - 9pm.

Running time: 132 mins

The latest film to come out of Marvel Studios stars Paul Rudd as Scott Lang, an ex-con who gets a shot at redemption when Hank Pym (Michael Douglas) enlists him to protect his superpowered micro-suit. Shrinking down to miniscule size he vows to protect his those he loves from the villains who want to steal the suit for evil. The huge Marvel hit goes against the grain to present a unique and vibrant take on the superhero genre.

Join us for an exclusive showing before the DVD release date!

Undecided? Watch the trailer here: <https://www.youtube.com/watch?v=1HpZevFifuo>

## Sprint Programme

Following the success of last year's Sprint Programme, co-sponsored by Royal

Bank of Scotland, Shell and Capita, Newnham will again be holding two Sprint

professional development courses, one either side of the Christmas break.

The Sprint Programme, the student version of the Springboard professional

development training, is a fantastic opportunity for women students from all

backgrounds, ages and stages in their lives and study, to build their

self-confidence, identify their values, attitudes and direction, and become appropriately assertive.

For more information please see that attached poster, and to register your interest please fill in the form and follow the instructions on the website below.

## CHaOS

Cambridge Hands-On Science needs you!

Inspire children to enjoy science (and do some fun experiments!)

CHaOS is looking for volunteers for our Winter Roadshow, taking fun hands-on science activities into local schools and public events at the end of this term (3rd-8th of December), just after lectures finish. We need scientists of all kinds to help us with this (medics, engineers, natscis, compscis, mathmos, vets...) to demonstrate science experiments to small groups of school children and members of the public, to get them enthusiastic about science. The Roadshow is a series of one day events and you can sign up here for one day or all six! <http://www.chaossience.org.uk/node/1769>

No experience necessary (we have a training session), enthusiasm helps, food and transport are both provided! For more information have a look at our website [http://www.chaossience.org.uk/volunteers\\_home](http://www.chaossience.org.uk/volunteers_home) or get in touch using [contact@chaossience.org.uk](mailto:contact@chaossience.org.uk)
