

## Kesavan Sivanesan JCR Secretary and Communications Executive Candidate

### Who am I and why am I running?

Hi, my name is Kesavan and I am a second-year medic. In school, I was head boy where a large part of my role was organising people, events and communicating with the students. Initially, as a fresher, the JCR was this mysterious body that did things, organised Fitz Ups and gave us jukeboxes; but throughout my first year I have learnt about all the things the JCR is involved in, from Target and Access, to Ents and Welfare. I want to continue this good work, help facilitate the smooth running of the JCR and ensure students can keep up with what is happening week to week. I feel the organisation and time management skills I have developed from being both a medic and a rower will help me stay on top of things and be an effective secretary.

### What will I do?

- Make live minutes available using Google Docs so JCR members can follow the meeting even if they cannot attend in person (these will also then be made available on the JCR website)
- Work closely with the people in other roles on the JCR to ensure that communications from them are modern, well presented and standardised
- Propose that the votes of each JCR member be recorded
- Aim to have agendas available well in advance of meetings to give committee members time to review them and prepare accordingly
