

Details from Head Porter: (accurate as of 20/02/17)

Christmas Vacation: International storage available to those students registered as 'International' (Including EU countries) renting College accommodation on 'A' and 'B' contracts only.

Easter Vacation: International storage available to those students registered as 'International' (Including EU countries) renting College accommodation on 'A' (termly) contracts only

Summer (Long) Vacation: International storage available to International and EU students on renting College Accommodation on A, B & C contracts.

If someone who is not international requires storage space, cases will be considered on their individual merits. This includes students from Scotland and Wales. In general, this will not be available over the long vacation.
