CUSU Motion 6A

Guidance from 1752 group states that relationships between staff and students should be reported, how does this work if e.g. if two PhD students who are supervisors and students are in a relationship, would this need to be reported?

Do we need to clarify the definition of staff at Cambridge?

2. AOB

Etien Jasonson - Provision of cheaper accomodation was valuable as people at the bottom of the ballot were able to access this
