Agenda Points:

1. Comms Conundrum

Ideas for a virtual opening meeting

MS Teams, Teams site requested

Google forms can be used for non-committee members to contribute

Meeting link can be posted on Official Fitz (may have issues with numbers)

2. FREP Application

More FREP applications than people needed

Use all applicants - allocate roles as we have limitations on how many can move in early

3. Supporting people from non-stereotypical Oxbridge backgrounds

Feedback - negative time and difficult time which can be affecting people from non-stereotypical Oxbridge backgrounds in a specific way

Welfare to work with T&A

Possibly set up a FB group/ Chat

Readvertise the Discord

4. Gender Expression Fund

4 other colleges have this fund

Used to prevent students that are transitioning are not affected by economic reasons

Currently exists - part of Student Opportunities Fund, application directly to Paul Chirico

Consensus - LGBT+ Officer should represent and support application when going to college rather than being responsible for the fund

LGBT+ Officer could act as an anonymity layer between student and college

Need to have a specific well-labelled and advertised application form

Maise to be included in the next Welfare Exec. meeting with Paul Chirico
