## 5. AOB

### Freshers Week

Freshers Week Alternative Arrangements Document discussed - 4 different scenarios outlined and how they might each affect different planned events

Possible alternative for Speed Friending on Zoom

### Action Andrew - Sort out a JCR Zoom account

Possibility of rescheduling of events such as FitzUp for when they are possible

### **Offer Holders**

Attempting to organise a Kahoot Pub Quiz for the Offer Holders also possibility of organising Q&As

Organising enhanced DBS checks for JCR may not be possible although many members of JCR do have enhanced DBS checks anyway

DBS checks are likely only necessary in one-on-one situations which we will not have

Possible JCR virtual tour

### **Website redesign**

#### **Action Andrew - Write a President's Address**

Nearly ready to launch

Reorganise categories on website to condense number of categories

Goat Post on JCR Website - may be able to embed issuebook on website

Welcome page with picture of committee or college

### **College Finances**

Bleak picture under current crisis

DEF renovation under threat

Level of luxury added to DEF is not very great, necessary renovations are the greatest cost

Feeling that basal level of maintenance funding should be maintained/protected as it is important to ensure acceptable quality of existing accommodation e.g. prevent damp in certain external houses

Financial support for students will be preserved as far is possible; college decisions are mission based - to provide education to students and within this student support is underlined

Rent expected to remain as agreed - possible uncertainty over whether DEF will occur
