MCR suggestion that COVID enforcement punishment could include being asked to support - non-offending students have volunteered to help out so not a very good punishment.

Have requested the MCR to remove this example from their proposal
Motions approved in the previous meeting
For note sections - Voting for new committee

4. AOB

Reddaway prize and remaining budgets - care packages for COVID supporters
Can purchase succulent plants from the garden centre for COVID supporters (~68 people)

The JCR will not be able to help with isolating corridors over the christmas vacation
