

# JCR 'Perks' Proposal

---

- 1) A voucher\* entitling one free hot drink from the café for every completed set up or set down for a bop
- 2) Every JCR member who helps to set up/down the Ent receives a voucher for a free hot drink and snack from the café **Need speak to Rob/Café staff and see if this is feasible/costs**
- 3) Guaranteed tickets to all Superhalls + one guest (this would include Family Superhall, Halloween Superhall, Fitzmas and Valentines Superhall) **Need to speak to Rob Clarke (all JCR got guaranteed Fitzmas tickets so shouldn't be a problem)**

## \*Voucher rules

The JCR President and Vice President will keep the vouchers. The Ent's member in charge of the event has control over who should receive the vouchers after set up or down has been completed to avoid members who do not turn up receiving vouchers. Any member who helps and stays for the duration of set up/down is entitled a voucher.

The money to pay for these we propose should come out of the JCR budget. All used tokens could be counted at the end of the term, or every few weeks and the treasurer could write a cheque to the café.
